I hereby acknowledge that I have read the agreement on student use of computers and the Internet and discussed it with my child. I understand that this use is designed for educational purposes.

I recognise that while the Department for Education (DfE) uses an internet filter and every effort will be made to monitor students' use of the Internet, it is impossible for Vale Park Primary School to continually monitor and restrict access to all controversial materials.

I further acknowledge that, while questionable material exists on the Internet, the user must actively seek it and therefore is ultimately responsible for bringing such material into the school.

I therefore do not hold the staff or Principal of Vale Park Primary School responsible for any material acquired from the Internet.
